242-4931

Business Manager
H. Charles Kaetel

HI !!!!! Again a slight change in the format of this publication. All the officers and directors have their phone numbers listed along with their names. Any one of them is only as far away as your telephone.

According to Mrs. Kaetel, Charlie can now receive mail. All mail should be sent to his home. He is still very, very sick. His address is: H. Charles Kaetel

N50 W16328 Pin Oak Court
Menomonee Falls, WI 53051

OCTOBER MEETING --- The regular meeting of the Milwaukee Radio Amateurs' Club, Inc. will be held Thursday, October 27, 1988, at 7:00PM at the Wauwatosa Savings and Loan Building, 7500 W. State St. The hall is open at 7:00PM for catching up on all the latest news, and ordinary and extra-ordinary chit-chat..... The featured speaker will be RUSSELL SCHREINER, WB9PAS. Russ will speak on servicing and operating a Kenwood TS440S/at. It should prove to be an interesting evening.

Thanks to Marv Anderson and Chuck Eklund for their fine presentation on radio-controlled large scale model aircraft at our last meeting. It only proves out the old adage---the only difference between men and boys is the size and price of their toys. Marv and Chuck fly their models at a field west of Waukesha on Sunset Drive, across from Merrill Hills Country Club, about 270 west. A small dirt road leads to the flying field. I've been told they every Saturday and Sunday when the weather is nice. If you want more information call Marv at 464-9377. Oh---don't expect to find Mitchell Field.

Those of you who didn't attend the September meeting will find a copy of our present roster enclosed. If there are any corrections to be made, please send them with your renewal form (also enclosed). The roster will be kept as up-to-date as possible. Copies of the latest roster will be available at the regular meetings.

MRAC will have a table at the 6.91 Friendly Fest. Stop by to examine some of the historical items that will be on display. If you want to help man the table, see Roger Zaun, W9UVV, or George Philbert, KA9MXM.

The Milwaukee Metro Area Test Team will be conducting license exams at the Friendly Fest on 12 November 1988 at the Serb Hall on 51st and Oklahoma Ave. Be sure to bring your current license and three (3) photocopies of your license. The fee is \$4.55.

If you have any items you feel should be in this fine publication, don't hesitate to call the publisher, or editor, or reporter, or typist, or file clerk, or sweeper, with the information. The phone number is 546-0647. Ask for Harry and he will connect you with the proper department to handle the item. Items of interest would include, but not be limited to, Hamfests, other club meetings, rare DX you may have heard or a funny story. Ask KE9JJ what a diesel fitter is and you'll know what I mean.
